Duke of Edinburgh's Award Services and Packages for Schools & Colleges

2018-2019

Introducing.....The Wiltshire Outdoor Learning Team

The Wiltshire Outdoor Learning Team (WOLT) is a DofE Approved Activity Provider and consists of a team of people who want to use their experience and understanding of outdoor / adventure activities to develop young people through the Duke of Edinburgh's Award.

The Team has been drawn from Education, Youth Services, Management Consultants, Social Services and Outdoor Education Specialists.

We have a reputation for quality, enthusiasm and the ability to engage and motivate young people in both mainstream settings and groups with additional needs.

Our DofE Manager, Louise Fisher, has many years of experience in advising and overseeing school and college DofE Award provisions and is able to provide a full range of services to support any setting.

The WOLT places great emphasis on the quality of experience for participants and has high standards, while recognising the need for schools and colleges to keep activity prices as low as possible for their pupils.

We always try to create an atmosphere of fun whilst keeping safety our top priority.

If the service or activity you are looking for is not included in this brochure, please don't hesitate to contact us at dofe@wolt.org.uk or call Louise on 07981 934377
