

# Zombie Apocalypse Team Challenge

## Information Sheet

**Please can you make sure EACH participant reads the following information sheet and signs to say they understand and agree with it. This must be handed in to the member of the 'Wiltshire Outdoor Learning Team' on the day.**

Have you ever wondered how you would fair if you had been one of the characters in 'The Walking Dead'? How would you survive those fast zombies in '28 Days Later'? This is your chance to find out!

### **What**

The Zombie Apocalypse event consists of two games – a 'team challenge' based on the 'Walking Dead' scenario and then an individual 'every man / woman' for themselves – based on the '28 Days Later' scenario.

We then finish with a BBQ!

The whole event, including BBQ takes about three hours

### **When**

The event starts about 1 hour before 'dusk' and will finish in darkness.

### **Where**

The event takes place at Brokerswood Holiday Park, near Westbury (BA13 4EH) – this is 40 acres of amazing woodland – dark, mysterious and a great place to meet a zombie.

### **Where do groups meet up?**

We meet groups at the entrance / main gate to Brokerswood Holiday Park (BA13 4EH). A member of our staff will meet you and then direct you where to park. You do NOT need to buzz through into the main park.

### **Who can participate?**

Due to the nature of the activities we have found that 14 is our minimum age for this event.

Participants must have a level of fitness (remember – 'Cardio') – this is essentially an 'escape and evade' activity – you WILL BE pursued by zombies intent on eating your brain.

Participants must NOT have any disabilities or injuries that are likely to lead to further injury – you will be running / jogging around a woodland area with uneven tracks, trip hazards, trees and undergrowth.

### **How many participants?**

We need a minimum of 10 people to run this event. Maximum group numbers is 50

### **How much does it cost?**

The event costs £35 per head (including food / drinks for the BBQ). We do not supply alcohol .

## What do I need to bring / wear?

- Your clothes are likely to become dirty and even torn – thus do not wear your best clothes! Wear clothing that will enable you to evade zombies. A spare change of clothing for you to get back into your car is a good idea.
- If raining – bring a rain coat
- Head torch / torch (this is VITAL)
- Stout foot wear is vital with ankle support. Walking boots are ideal
- Inhaler – if needed
- This form – signed

## What now?

Your group leader needs to complete the 'Booking Form', and collect a deposit from each participant. Let the group leader know if you are a vegetarian or have any food issues we need to be aware of.

We suggest you watch an episode of The 'Walking Dead' Series 3 and one of the '28 Days / Weeks Later' for research purposes.

You need to print off, sign and bring the following page with you on the day.
